Season of Creation

Living Water
Season of Creation 2026

Immersion in Living Water
EZEKIEL 47:9, 12

September 1st to October 4th 2026 **Prayer for Creation**

Living Water Holy God, whose Spirit hovered over the waters at the beginning. We give thanks for the gift of water. We are grateful for the local waters that nourish our homelands and our fellow creatures. We give thanks that in your well-watered garden, every drop is a sacred testament to your love.

Lord of all Life, you promised that wherever the river flows, everything shall live. Stir in us a calling to care for the waters. May your word be a spring within us, gushing forth for the heading of the nations.
