**WAITING IN HOPE**

God of Love,  
as we move within our daily tasks,  
clothe us with your- peace filled stillness.  
With the cloak of your embracing quietness  
we can be assured of remaining focused on what you  
desire of us.  
May our external activities be such that they enable us  
to stay mindful of you.  
May our spirits be quiet enough to welcome you.  
Slow us down when we want to speed up.  
Move us towards that quiet pool of peace inside us  
where we can be attentive to your love.  
Shine your advent candle light on us as we journey  
through this waiting time,  
drawing us ever nearer to you in all we are and do.

**SLOW ME DOWN LORD**
